JUDICIAL SCHNE.

Lowell of Bryant were there. Old men and old women in all stages of decay.

The Criminal Court on wheels, or as the Brother Jonathan stage I ishmen, Daten-The Criminal Court on wheels, or as the boys had it "here's hell on wheels," escaped the observation of no one. The whole system of leaties was represented, from the lawyer down to the mish that was hanging. The unfortunite being in this case who mat his interesting to the "gallows high," was a respectable barkesper who was ordered hung by an intelligent jury and enlightened judge for selling beer on Sunday, while the red-handed murderer goes free. The whole thing was a hitter satirs on justice as it is known to some people in Memphis in the rest of the wagen the innocent dealer in lager was hanging as dead as a door-nall, while the ladge and jury looked to the glorious consummation of Mardi

on with much satisfaction and were asking each other now that justice had been
windlosted and the law upheld at their
hands, to go out and take a drink.

AMUSEMENTS. utject, we do not at this moment call t mind. Among the girls of whom Olive will especially speak are the fashionable girl, the beautiful girl, the womanly girl, the Yankee girl, the western girl, the southern girl, and the strong-minuted girl. The fashionable girls will be there in force, in the sudlence There will also force, in the studence. There will, also be a large representation of the beautiful girls, for Memphis is well supplied with instarticle. Woman'ty girls will also be present in goodly numbers. As for the southern girls, (God bless 'em') they will aprink to the parquet and dress-circle as inickly as plums in a Christmas podding. The strong-minded girl, we suppose Olive many be considered to represent in her may be considered to represent in her own comely person, to some exicut, though she has recently dealt a pretty

CHURCH'S Musical Visitors for February has reached our table, and is certainly the best and handsomest number yet issued of this valuable art journal. The frontispices is adorned by a null-page portrait of Christine Nilsson. Corresponding the feet can be no dispute It is nothing cheef on New York Boston, St. Louis, Chicago, Indianapolis and New Orleans; able editorials. The departments of musical dramstic end art news are freels and intil Its musical contents embrace "White salls wait me away," a beautiful baliad, written by the authoress of "Leef by leaf the rosses fall; Chapin's beautiful waitz. Op. 64, No. 2, and the "Overture Medicay" Terms, one dellar per shound. John Church & Co., No. 56 West Fourth street, Cincinnet, One. observing it as they could, and give themselves up to fun and frolie on Mardi Gras. I am satisfied with one day. It is

Gras. I am satisfied with one day. It is better than nothing; but I would be well pleased to see the continental habit introduced of giving a whole week to this best of all the seasons of the year. The Carnival now naturalized in Memphis, I want that the property op the second of the private houses, as well as the notein that the private houses, as well as the notein than the private houses, as well as the notein than the private houses, as well as the notein than the private houses, as well as the notein than the private houses, as well as the notein than the private houses, as well as the notein than the private houses, as well as the notein than the private houses, as well as the notein than the private houses, as well as the notein than the private houses, as well as the notein than the private houses, as well as the private houses, as well as the notein than the private houses, as well as the private houses, as well as the notein than the private houses, as well as the private houses. Olive Logan gives her first lecture. The to see it as thoroughly and properly ob turned out counties numbers of special cutiest is "Girls." A more fascinating served se in Rome. You must make a tors. Every corner from ficale to Market "mad and merry time," the best of all the year. I want the town completely sound of whose given over to the "dissonant" tumult which in Rome makes Carnival a season never to be forgotten. Memphis is here-after part of my realms, and whenever I issue my proclamations I demand that they be observed as strictly and with as

are and perhaps profit on the make up of the party who took the character and gave occasional speeches from the play so naturally as to delight the crawds that gathered round the old man. A dosen or so girls appeared in costume at the square, each armed with a studied bladder, which they managed to conceat; in marching along the bladder would be defity drawn ont and some old codger would get a welt tell where it came from, and by the time he turned round to look at the demure he turned round to look at the demure Springs Reporter and Bolivar Bulletin, faces of the maskers, the bladder was hid all arm in arm, crazed with the fun of the

or staveled in the south of Europe: if we ever heard of carnival week at Rome? Here the old follow's eyes aparkled with the genuine good humor or the "lord of misrale," and knowing we "had our man," we ventured the remark that we wanted him to answer the questions of our readers, whereupon be said, "Well, go ahead!" Reporter—By what names is the day known?

King Osrnival—The gutternipes and madarks of New Orleans call it "Mully fraw," and attribute it to Mrs. Molly fedraw, who years ago kept a grocery a Dalord street; but the proper name in the footsom of common and the footsom of common and detailed from the footsom of common and the footsom of common and of the footsom of common and the footsom of common and of the footsom of com

could be plainly heard in the suburbs Main street, near the Peabody hotel. A Japanozo gentleman created so much excitement among the gamine that they as-

down Main street carrying a baby with a tearful and melancholy expression of face, which he wiped every now and then with a yard of bagging, which he carried for a handkerchief. Some well got-up in the procession in which were representatives of the kin from all the States of th

and mingled in with the crowd, taking things in more general good humor and uproarous hilarity than the maskers themselves.

A fat, red-faced old daile had found her drunken husband with a smashed hat and isntastically rigged out with festoons and bloody face, and mud-covered torn clothes in the street. She gathered up the pieces, dumped them in a wheelbarrow and bors the helpless victim of tanglefoot down Main street. She would stop and blow, and putting her arms akimbo, would launch investives at the hapless head of the sot of a husband.

A fat, red-faced old daile had found her drunken husband with a smashed hat and isntastically rigged out with festoons and illuminated by glaring torches, and illumina the hapless head of the sot of a husband tores" made lots of fun for the speciators. He would grin and lear at the good dame and at the balls their graceful and artistic and she would grow frantic, and when dancing secured them delightful partners with whom to share the pleasures of the

exhausted by acciding, she would again tug away at the wheelbarrow. A stupid policeman proposed to relieve the fat old woman of her charge, but was scolded till he was ashamed of himself. The women along the aldewalks seemed to appreciate keenly this wheelbarrow scene. NEWSPAPERS. We saw Neal's Gazette, the Holly absurdly ridiculous show, with their ouths stretched like the great Northern lakes on the map of the continent, and
